FROM PASTOR HEATHER

As Christmas draws near, I will admit that I love the lights and music, the cookies and special meals with friends and family, the shopping and finding the perfect gift for a loved one. I have fond memories of the Christmas season. However, life has different seasons and some years Christmas is different - whether due to illness, schedules, school, work, or even the death of family and friends. Wherever we are and whomever we are around, we can trust that God is always with us, Jesus is always interceding on our behalf, and God's Holy Spirit reminds us of our blessings.

At Glossbrenner Church we will be asking ourselves a question each Sunday to draw our attention to our relationship with Jesus (especially in the midst of this busy season). I hope you'll join us in worship, on Sundays and on Christmas Eve. It is so special to be able to praise God together. Let us also pray for one another and reach out to those we miss seeing. For those struggling or in need, please let me know how I and the church can support you. For those who have extra this season, please consider a special Christmas Eve offering to support the ministries and people of our church and community. You are each a gift from God.

In Christian Love, Pastor Heather

GLOSSBRENNER
CHURCH

Advent is the four-week season in which Christians await the coming of Christ. The word, "advent", comes from the latin word *adventus*, which means "coming" or "arrival". For Christians, the season of Advent anti-

cipates the coming of Christ from two different perspectives. The season offers the opportunity to share with our ancestors in the ancient longing for the coming of Jesus the Messiah, and for us to be alert for his Second Coming. This dual purpose for Advent is far different from our culture's tendency to make the Advent season a four-week countdown to Christmas. While we do not know precisely when the celebration of Advent was instituted in the church, there is evidence of such celebrations that go all the way back to the late 5th century. Therefore, when we celebrate this year, we do so following our spiritual ancestors in the ancient traditions of the church.

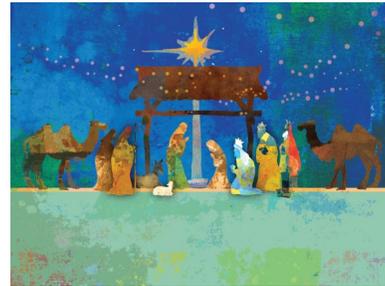

One way in which we commemorate Advent in our church is through the lighting of the Advent wreath. You will notice that the wreath has five candles, three purple, one pink, and a white candle in the middle (known as the "Christ Candle"). Each week during Advent, a different candle will be lit until on Christmas Eve, the Christ Candle is lit along with the other four.

Individuals and families are invited to participate in our worship service by reading a short devotion and prayer and lighting the candle(s) on the Advent Wreath. Sign up in the narthex/lobby to get involved!

"Christmas All Year Long" A Musical of Hope and Cheer

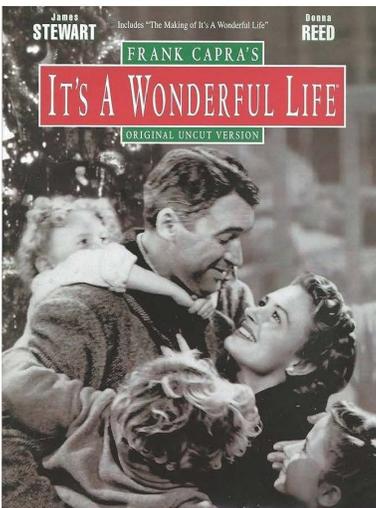

Arranged by Marty Parks

"Christmas All Year Long!" will be presented by the choir along with the Praise Band and Bell Choir during the worship service on Sunday, December 21 (10:00 a.m.). Warm, kindhearted, comforting, richly nostalgic and full of the promise of Christmas. Heartfelt narrations enhance the magnificent songs, ranging from happy-makes-me-

feel-like-Christmas tunes, to songs full of depth, heart, Biblical truth and the message of Hope and

Promise found in the story of our Savior's birth; Reverent and worshipful songs offering up our highest praise to the King of kings, and songs of encouragement reminding us that peace on earth starts with each of us; songs and narration that ultimately lead us to the question...Why can't it be Christmas All Year Long?

CARING HANDS & HEARTS (Hands that Serve, Hearts that Care)

Thank You!

Caring Hands & Hearts would like to thank everyone who helped make the Country Fair & Market a success. To those who cooked and worked in the kitchen, donated items for the yard sale, used their talents to make items for the craft area, and used their baking skills for the dessert table, we thank and appreciate you. We also thank and appreciate everyone who helped set-up, worked at the event and helped to clean-up afterwards. It takes many hands and a lot of hard work to successfully host the Country Fair & Market. And because of you and those who attended and supported the event we were able to raise nearly \$6,400.00 for missions. A portion of the proceeds will be given to Raise28 and Mount Joy Helping Services. Thank you!!

Scouts Make Waves in Safety Course

BY CAT SHANON

When retired teacher Dave Eichler helped Glossbrenner Church in Mount Joy secure a Pennsylvania Fish and Boat Commission grant for canoes, a trailer and life jackets, he had a bigger vision than just getting church youths on the water. He wanted to use those resources to teach safe boating to the wider community.

Since August 2024, three local Scouting America troops - from Maytown, Hershey and Elizabethtown - have taken part in Eichler's hands-on boat safety certification program. Each troop earned both state certification and merit badges after completing his course.

The fish and boat commission's Boating and Water Safety Awareness (BWSA) course guides people to be knowledgeable in safe boat operation, the laws and regulations, equipment and in-water participation. The in-water portion involves floating in a life jacket and conserving body heat, using throw bags and ropes, performing safe swamping and canoe-over-canoe rescues and learning paddle strokes.

"Participants must pass a written test and perform the in-water skills to receive

certification," Eichler said. He runs his BWSA course at Speedwell Forge Lake in Elm.

In mid-September, Elizabethtown Scouting America Troop 51 took to the water with Eichler. Scoutmaster Brandon Adams remarked that although he has boated before, the course provided a new way of looking at safety.

"(It) helped me understand more boating right-of-way and the various buoy markings and meanings," Adams shared.

Each of the Scouts went home with new knowledge from the experience. Scout Jackson Nash learned that it's important to have distress signals on board your boat.

Maintaining constant awareness of your surroundings is also important, said troop member Jack Deardorf.

"Knowing about the exclusion zones around military and cruise liner ships is important," he commented.

Scout Kolton Adams shared a bit of trivia he learned during the program, noting, "A person needs to be at least 12 years old to operate a jet ski and have a boat safety card, too!"

And Alexander Whitney,

also a member of the troop, explained his favorite part of the day.

"It was pretty cool doing the boat-over-boat stuff," he said. "You never know when you might have to use it."

Elizabeth Whitney, committee chair for Troop 51, thanked Eichler for his class, adding, "We appreciate all the knowledge he shared with the troop."

Instructing the Scouts comes naturally for Eichler, who spent 35 years teaching health, physical and outdoor education at Donegal High School. When he retired in 2020, he wanted to keep instructing people in outdoor activities, and he applied for the Pennsylvania Fish and Boat Commission grant. He hopes program participants leave with knowledge that will keep them safe while also having fun on the water.

"If your Scout troop, church youth group or interested group of adventure-seeking folks want to also experience what I can offer, I can be reached at Glossbrenner Church," Eichler said, adding that he's already booking dates in the new year. "To schedule for 2026, call the church at 717-653-5683."

← The article on the left (sorry about the poor quality!) was recently printed in the Merchandiser and we just wanted to acknowledge Dave Eichler and the work he has done with the canoes that were purchased with Pennsylvania Fish and Boat Commission grant that he applied for in 2024. Congratulations Dave and thank you for all the work you put into obtaining the grant to purchase the canoes, trailer, and other equipment for the canoe program and for reaching out to scouts and youth groups to educate them about safe boating!

POINSETTIA Orders

Poinsettia plants will be placed in the sanctuary for the Christmas Eve services on December 24. If you wish to place a poinsettia in memory or in honor of a loved one, please call the office to place your order. The options are available: 6½" (5 to 7 blooms) for \$9.50 and 4½" (3 to 5 blooms) for \$5.50. (Make checks payable to Glossbrenner UMC). The plants may be picked up after the 7 o'clock evening candlelight service. **FINAL DEADLINE FOR ORDERS IS DECEMBER 7.**

To all of my Glossbrenner friends who have been loyal supporters. I want to thank you for helping me raise over \$11,500. We are getting closer to a cure. We MUST find the first survivor. I will con-

tinue to fight this dreaded disease. Love and blessings to all. Mary Reheard

Dear Glossbrenner Family, We want to express our heartfelt gratitude for the incredible support you showed our family during a challenging and unexpected season. Your thoughtful cards, kind calls, delicious meals, generosity, and prayers meant so much to us and truly lifted our spirits. It's never easy when "mama goes down," and at first, I struggled with accepting so much help. But I quickly realized what a true blessing it was—and how deeply it benefited our family. Someone dear to me shared a wonderful piece of advice that brought such peace: "When people want to give and to help you, accept it as a blessing, because to deny it is to deny a blessing from God." Thank you, from the bottom of our hearts, to each of you who blessed us with your kindness and love.

*With love and thankful hearts,
The Cole Family*

P.S. Our ever-growing (and ever-hungry) boys were not complaining one bit about all of that food magically showing up at our front door!

Litigation Update

Glossbrenner Church has joined with 49 other United Methodist Churches of the Eastern Pennsylvania Conference in a lawsuit to pursue equitable terms for disaffiliation. A judge of The Court of Montgomery County has affirmed the lawsuit can move forward on two counts:

- Breach of Promise: Did the EPA break a promise of what the churches needed to do (and pay) to exit the United Methodist Church?

- Breach of Contract: Did the EPA break a contract that was written in the Book of Discipline on how a church can exit? The lawsuit will go to trial at the Montgomery County Court House the week of March 30 - April 10 , 2026. Glossbrenner Church has been selected as one of the 5 churches to testify at the trial. These five churches will be representing the other 45 churches in the lawsuit. The Transition Leadership Team will keep the congregation informed whenever there is a new development in the trial. We have established an email address in which various forms of communication will be sent to the congregation.

The email address is: transitionteam@glossbrenner.net After the holidays, there will be a Congregational Meeting directly after the Worship Service to further discuss this matter. Until then, stay informed, ask questions. Also, continue to pray for Glossbrenner, the other churches in the litigation, the EPA Conference, and the attorneys who will be involved in the trial. For the Spirit God gave us does not make us timid, but gives us power, love, and self-discipline. ~ 2 Timothy 1:7
